

NO MATTER THE NUMBER,
**IT'S THE BEST SEAT
IN ANY HOUSE**

***AN ABSOLUTE WORKHORSE
THAT WORKS EVERYWHERE***

Maximize Your Venue's Potential

From general admission to club seating, it's a workhorse. Engineered to boost capacity and designed to provide unparalleled comfort, Quantum is changing the game, or at least how we watch it.

Flexibility Redefined

Our revolutionary beam-mount system allows for seats to be evenly spaced in every row, and customization has never been easier. Add, remove or reconfigure seats effortlessly to suit any event, big or small.

Low Maintenance and High Comfort

Quantum's durable design and minimal maintenance requirements have made it the popular choice for venues worldwide. It's a seat that not only works hard, it works everywhere.

Features and Benefits

- **Beam-Mount System**
Designed to last a lifetime, our beam-mount system future-proofs your venue with flexible, efficient seating that's easy to upgrade, replace, and built to maximize every inch of space
- **Fully Enclosed Gravity Tilt Seat Pivot Mechanism**
This ensures consistent, smooth seat return every time, with a convenient "safety fold" function when unoccupied — plus, it arrives factory-assembled, so no on-site assembly is required
- **Engineering Grade Polypropylene Structure**
Engineering grade polypropylene shells with gas injection channels to provide increased structural strength
- **Composite Glass-Filled Nylon Side Supports**
Side supports made from heavy duty structural materials
- **19" (483 mm) minimum seat center**
Suitable for infinite center positions from minimum of 18 1/2" without arms
- **3 Back Shapes**

RB (Round-Back)

SB (Slat-Back)

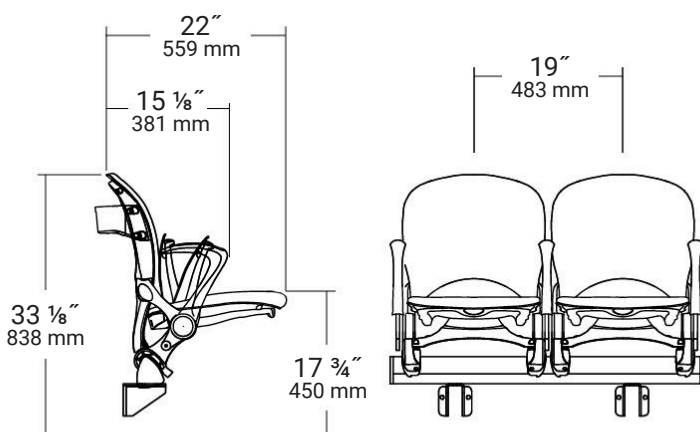

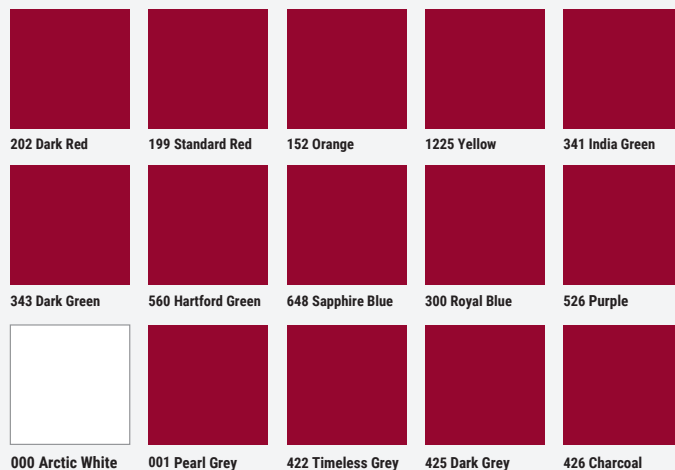

SQ (Square-Back)

Optional Accessories

- **Mounting Options (Beam-Mount System)**
