COVER

**CINEMA · SPORT · BESPOKE PERFORMANCE**

Hussey Seatway's best-selling cinema chair — polypropylene outer shell encasing cold-moulded foam, with injection-polypropylene armrests and an integrated cup holder.

Available with **90° or 45° tipping mechanisms** to suit row-depth constraints, and with a **sport-venue external-finish variant** for arenas and bowl seating. The shell-and-foam construction takes the abuse cinema multiplexes and club-level sporting venues hand out, and the silhouette is contemporary enough that it carries into bespoke performance environments.

IMG-BAC-02

## Venues Baco is built for

VENUE TIER	RECOMMENDED CONFIGURATION	WHY IT FITS
Cinema multiplex	Baco Fixed with 90° tip	First-run cinemas, art houses, repertory cinemas
Bespoke performance / black-box	Baco Fixed with 45° tip	Performing-arts spaces with tight row depth and high-turnover programming
Sporting venue / club seating	Baco Sport-Venue Variant	Arenas, ice rinks, indoor sporting bowls — external-finish shell for higher abuse
Lecture / community hall (flat floor)	Baco Flat Floor	College lecture rooms, civic halls, churches with fixed seating

## Fixed-floor installation

Baco is a **fixed-floor product** — riser-mounted on permanent steel or concrete tiers, or direct-floor-fixed for flat-floor installations. **Not retractable-platform compatible.**

For retractable cinema or sporting venues, specify **Gallery 3** (auditorium retractable) or **Metro** (beam-mount retractable) instead.

### — Configurations

— Baco Fixed (cinema / theatre, polypropylene outer shell + cold-moulded foam) · Baco Flat Floor (same envelope, direct floor fixing) · Baco Sport-Venue Variant (external-finish shell for abuse-prone environments).

### — Key dimensions

— seat centres 19¾" / 20½" / 21¼" / 22" (500 / 520 / 540 / 560 mm) · total chair height 39¾" (1 010 mm) · seat height 17¾" (450 mm) · open seat envelope 21¾" (550 mm) · design row depth 35½" (900 mm) · tipping 90° standard or 45° (specify at order).

## Options & finish

### Polypropylene outer shell

Encases cold-moulded foam — the durable cinema-grade construction.

### Injection-polypropylene armrests

**Integrated cup holder** standard.

### Tipping mechanism

90° standard or 45° — preferred where row depth is tight. Specify at order.

### Sport-venue external-finish shell

Higher-abuse external finish for arenas and bowl seating.

### Powder-coat metalwork

Steel-framed leg structure, RAL 9005 Satin Black standard.

### Aisle-end Transfer Arm

Supports barrier-free wheelchair transfer for CSA B651 / BCBC §3.8 compliance.

### Identification & branding

Recessed seat numbering · row letters · donor plaques on aisle armrest end-caps · custom-colour shells aligned to venue branding.

**Hussey Seatway upholstery is open-spec across Camira, Bradbury, and Fidivi** — Camira Xtreme · Camira Era · Fidivi Radio · Bradbury Flamblend pre-vetted; fabric selected per project, other compliant lines specified on request.

**Polypropylene shell** in Hussey Seatway's standard polymer palette; custom colours on request.

**NFPA 102 · GREENGUARD Gold** (certified for North American projects on request) · **CSA B651 + BCBC 2024 §3.8 / NBC 2020 §3.8** (Canadian barrier-free) · **EN 12727 · BS 5852**.

## Backed for the long term

**5 years** parts and labour on the chair (seat assembly, backrest, tipping mechanism, armrest) — Hussey Seatway Limited Guarantee. Fabric warranty per upholstery manufacturer's terms. **Biennial inspection cadence** by a Hussey Seatway-approved service technician. **Service administered locally by TaLedi.**

## Submittal

Full submittal package — test reports, shop drawings, tipping-mechanism selection, external-finish specification for sport-venue variant — lives in the formal **Baco Performance Specification** filed under **CSI Section 12 61 00**. Available on request from TaLedi.
