PUBLIC SEATING SYSTEMS

COVER

STUDIO THEATRE · MULTIPURPOSE · SCHOOL HALL

Premium upholstered bench, plus an economical sibling — the upholstered bench-format options in the Hussey Seatway telescopic-seating menu.

Club Bench is the premium tier — a full-depth backrest with **integrated steel protection strip**, integral laminate or veneer fascia, and a slim **11¾" (300 mm) closed envelope** for studio theatres, performance spaces, and upper-mid-tier multipurpose halls.

Discovery Bench is the economical, capacity-maximising sibling for school halls and budget-led educational venues — same beam-mount geometry, lower **30" (766 mm) bench height**, and Camira Era upholstery as standard. Seat centre as narrow as **17¾" (450 mm)** keeps capacity high on either model.

IMG-CLB-02

Venues Club Bench is built for

VENUE TIER	RECOMMENDED CONFIGURATION	WHY IT FITS
Studio theatre / black-box	Club Bench on Seatway TP with full-depth backrest	Slim 11¼" (300 mm) closed envelope; steel-protected backrest
Performance space / multipurpose hall (mid-tier)	Club Bench on Seatway TP with integral laminate fascia	Premium aesthetic, fast turnover, theatre-ready
School hall (max capacity / budget)	Discovery Bench on Seatway TP with folding backrest	Capacity-maximising; folds onto platform before closure
School / community multipurpose (mixed budget)	Club Bench front + Discovery upper	Single Seatway TP bank, two tiers — premium near the floor

Beam-mount on Seatway TP — or fixed tiering

Both benches mount via the standard bench attachment on the **Seatway TP** retractable platform. **Custom Club Bench sections** are engineered for rises above the standard 340 mm range. Both products also configure on **fixed tiering** for non-retractable bench applications.

— Club Bench

— premium upholstered. Full-depth backrest with integrated steel protection strip; integral laminate or veneer fascia. Bench height 31¾" (808 mm); open / closed envelope 18" / 11¼" (455 / 300 mm).

— Discovery Bench

— economical upholstered. Plywood structure with CMHR foam; lower silhouette and slimmer envelope. Bench height 30" (766 mm); open / closed envelope 17¼" / 11" (438 / 280 mm).

— Shared dimensions

— minimum seat centre 17¾" (450 mm) · row rise 10¼"–1'-1½" (260–340 mm) · maximum section length 7'-11¼" (2 420 mm).

Backrest, fabric, and finish options

Club Bench backrest

Full-depth with steel protection strip **standard**.
Backrest-omit available on narrower row depths or barrier-free clearance positions.

Discovery Bench backrest

Folding — folds onto platform before closure. Backrest-omit available.

Fascia

Laminate from standard **Kronospan range**; veneer on request.

Metalwork

RAL 9005 Satin Black standard; full RAL palette on request.

Identification & branding

Seat numbering and row letters coordinated with venue branding.

Barrier-free clearance

Backrest-omit at clearance positions supports CSA B651 / BCBC §3.8 layout requirements.

Hussey Seatway upholstery is open-spec across Camira, Bradbury, and Fidivi — Camira Xtreme · Camira Era · Fidivi Radio · Bradbury Flamblend pre-vetted; fabric selected per project, other compliant lines specified on request. Discovery Bench specifies **Camira Era** as standard. Slim-profile retractable-clearance constraints apply.

NFPA 102 · GREENGUARD Gold · CSA B651 + BCBC 2024 §3.8 / NBC 2020 §3.8 (Canadian barrier-free; backrest-omit option supports clearance where required) · **CWB W47.1 Div 3 · EN 12727 Grade 4 · BS 5852 · BS EN 13200-5** (via Seatway TP) · **ICC 300** (via Seatway TP) · **CE-marked**.

Backed for the long term

5 years parts and labour on the chair under the Hussey Seatway 5-Year Limited Guarantee, conditional on prescribed-interval service by a Hussey Seatway-approved installer. Both Club Bench and Discovery Bench are named products. **Service administered locally by TaLedi.**

Submittal

Full submittal package — test reports, BS EN 13200-5 / ICC 300 platform evaluation, fascia laminate or veneer selection, backrest-omit row plan if specified, Seatway TP shop drawings — lives in the formal **Club Bench & Discovery Bench Performance Specification** filed under **CSI Section 12 66 13**. Available on request from TaLedi.
