COVER

LECTURE · PERFORMING ARTS · MULTI-USE

Hussey Seatway's flagship auditorium chair — a single chair family that ships across retractable platforms, fixed-tier installations, and flat-floor lecture environments.

Gallery 3 suits lecture halls, performing arts, and mixed-programming halls; **Gallery 3 Extra** adds a fully contoured backrest, waterfall-tailored seat base, and thicker foam where the venue prioritises comfort over density.

Both variants integrate **folding writing tablets**, optional show-wood backrest panels, and the full Hussey Seatway upholstery menu — a single chair specification carries from a 200-seat seminar room to a 1,000-seat auditorium.
