COVER

HERITAGE / PERIOD STYLING

Decorative Cast Iron end stanchion as integrated end panel — period styling for heritage theatres, restored cinemas, and venues that want the look of the room from the year it was built.

Hussey casts the end standard as a **decorative aisle-end piece** that carries the aisle-end aesthetic and the structural load in one piece — accepting integral logo or motif casting, contrasting colour accent on raised features, concealed floor attachment, and a solid hardwood armrest with decorative scroll.

Built on the Quattro Collection chassis — **600 lb (272 kg) seat static load, 350,000 cycles** certified, **Whisper Quiet** spring return or **Gravity Fold** seat return. Intermediate stanchions are Traditional Steel — keeping the row interior efficient.

ACCESSIBILITY – IMPORTANT

The Cast Iron end stanchion does **not** support the standard accessibility option set (flip-up arm, Transfer Arm End, Removable Chair Base). For Nostalgia projects with barrier-free requirements, specify alternative end stanchions at accessible row positions — discuss with TaLedi during early design.

IMG-QNO-02

Venues Quattro Nostalgia is built for

VENUE TIER	RECOMMENDED CONFIGURATION	WHY IT FITS
Heritage theatre — restoration	Late-19th / early-20th century house	Cast Iron end reads as period-correct; integrated logo / motif option in the casting
Restored cinema / vaudeville house	Heritage cinema brought back into use	Hardwood armrest with decorative scroll; period aesthetic on engineered platform
Thematic venue / themed entertainment	Rooms where atmosphere is part of the product	Integrated decorative casting accepts contrast colours; defines the seating zone
Period civic / municipal venue	Restored opera house, concert hall, council chamber	Heritage proportions with current ergonomics

Anchorage & Quattro Collection chassis

Quattro Nostalgia is **floor-anchored fixed audience seating** — Cast Iron end stanchions and Traditional Steel intermediates anchor directly to the structural floor; concealed floor attachment hides anchor hardware.

Built on the Quattro Collection chassis — **600 lb (272 kg) seat static load, 350,000-cycle certified** seat return. Nostalgia replaces the conventional end panel with the decorative Cast Iron end as a single structural and aesthetic piece.

— Configuration menu

— back menu all 12 Quattro shapes (5 Linear, 5 Radius, Soft Square, Round) · back height Low 33" / High 36" · pitch 15° / 18° / 21° (12° not offered) · outer back Classic / Designer / SoftSide.

— Armrest

— stained hardwood standard with decorative scroll (concealed-fastener attachment).

Two seat-return mechanisms across the Quattro Collection. Specify at order entry.

RETURN	HOW IT WORKS	RIGHT FOR
Whisper Quiet (Spring)	Pneumatic-dampened spring return; 350,000-cycle certified — engineered for acoustic-sensitive heritage venues.	Restored opera houses, concert halls, premium heritage theatres.
Gravity Fold	Counter-balanced gravity return; mechanically simple — preferred for venues without pressurized-component preference.	Period civic / municipal venues, council chambers, thematic rooms.

§ 05

OPTIONS & ACCESSORIES

Options & finish

Cast Iron end finish

Manufacturer's standard finish; raised features accept **contrasting colour accent**. Integrated logo or motif within a designated casting area on the aisle face.

Intermediate polymer / paint colours

5 standard finishes on Traditional Steel intermediates.

Wood

4 species × 5 stains (Ash and Cherry available on request) — armrest scroll, accents, custom wood pew end option.

Seat foam

Standard · Plush · Ultra Plush.

Identification & branding

Lexan seat numbers in 5 finishes including photoluminescent Ecoglo · cast logos integrated into the end casting · donor plates.

Power & integration

Quick-Link Power & Data — Traditional Steel intermediates support; **Cast Iron ends do not. LED aisle lighting** (Beacon or Strip, UL Low-Voltage Luminaire).

§ 06

FABRIC & FINISH

Three fabric grades available — contact TaLedi for the upholstery selection guide.

§ 07

CODES, STANDARDS & WARRANTY

NFPA 102 · 350,000 self-rising cycles, no lubrication required · CSA B651 + BCBC 2024 §3.8 / NBC 2020 §3.8 (Canadian barrier-free) · CWB W47.1 · UL Low-Voltage Luminaire (LED aisle lighting). Eligible under **Canoe Procurement Group #081523-HSC.**

Backed for the long term

Limited Lifetime on structural standards (including the Cast Iron end stanchion), cast seat supports and brackets, seat-return springs, and the beam-and-bracket assembly. **5 Years** on chair mechanisms, electrical, upholstery stitching, and surface finishes — labour included the first five years. Named on Hussey Seating Company's **Interior Fixed Seating Collections warranty** (Sept 2025 Rev. 1), covering Metro, Gallery 3, Fusion, Legend, Quantum, and Forte. Hussey-approved installation required; **service administered locally by TaLedi.**

Submittal

Full submittal package — test reports, anchor compliance, flammability documentation, and shop drawings — lives in the formal **Quattro Nostalgia Series Performance Specification** filed under **CSI Section 12 61 00**. Available on request from TaLedi.
