PUBLIC SEATING SYSTEMS

COVER

PREMIUM THEATRE · OPERA · CONFERENCE · CULTURAL VENUE

Three high-back chairs sharing a common upholstery standard (Fidivi Radio), a common platform (Seatway TP), and a common velcro-detachable cover system that lets venue staff refresh fabric in-house without specialist tools.

Space Club is the fully upholstered premium theatre seat — solid beech armrests and show-wood panels standard, self-lifting full-fold tipping, $\alpha w = 0.55$ acoustic baseline. **Space Max** adds a gas-strut pedestal, an anti-panic folding writing tablet, and power / USB per seat for large lecture auditoriums and conference halls. **Space Lux** pairs a sprung inner-seat core with auto-tipping armrests and show-wood panelling for venues where luxury finish is the brief.

All three are nose-mounted on the **Seatway TP retractable platform** at the same row-rise discipline. Space Club and Space Lux also install on fixed-tier risers; Space Max is retractable-platform only. A single specification carries from a 300-seat studio theatre to a 1,200-seat opera hall, with the model varying by venue brief, not by spec stack.

Venues Space is built for

VENUE TIER	RECOMMENDED CONFIGURATION	WHY IT FITS
Premium theatre / opera	Space Club on Seatway TP or fixed-tier	Fully upholstered · solid beech armrests · show-wood panels · self-lifting full-fold · $\alpha w = 0.55$
Large auditorium · multi-use hall	Space Max on Seatway TP	Anti-panic writing tablet · gas-strut pedestal · power / USB per seat · $\alpha w = 0.55$
Luxury theatre / conference centre	Space Lux on Seatway TP or fixed-tier	Sprung inner-seat core · auto-tipping armrests · show-wood panels · premium finish
Cultural venue · civic hall	Space Club or Space Lux on fixed-tier	High-back comfort · wood detail · Fidivi Radio upholstery · donor-plaque end-caps

Three chairs — one Seatway TP platform

All three Space models nose-mount on the **Seatway TP retractable telescopic platform**, with adjustable row rise from **9 $\frac{5}{8}$ " (245 mm) to 22" (560 mm)** project-specified. Space Club and Space Lux additionally install on permanent fixed-tier risers in steel or concrete. Space Max is retractable-platform only — its gas-strut pedestal and writing tablet require the Seatway TP carrier.

— Space Club

— fully upholstered seat and back · solid beech armrests · show-wood panels · self-lifting full-fold tipping · cupholder. Steel-framed seat structure. Compatible with both **Seatway TP** and **fixed-tier** installation.

— Space Max

— gas-strut pedestal mechanism · anti-panic folding writing tablet · integrated power and USB per seat position · cupholder. **Seatway TP only.**

— Space Lux

— sprung inner-seat core for sustained-programme comfort · auto-tipping armrests · show-wood backrest panels · cupholder · premium-tier finish. Compatible with both **Seatway TP** and **fixed-tier** installation.

— Powder-coated metalwork

— RAL 9005 satin black standard across the collection; alternative RAL colours on request. **Wood species and stain to client choice** on Space Club and Space Lux show-wood.

§ 04

OPTIONS & ACCESSORIES

Options & accessories

Fidivi Radio upholstery — velcro-detachable covers

Standard across the collection. **80,000 Martindale · 5-year manufacturer guarantee · field-replaceable by in-house venue staff** without specialist tools — converting an upholstery refresh from a capital event into a routine maintenance task.

Aisle-end Transfer Arm

Supports wheelchair-transfer barrier-free access for **CSA B651 / BCBC §3.8** compliance.

Power & USB integration

Space Max — standard. Per-seat power and USB outlets integrated into the pedestal.

Anti-panic writing tablet

Space Max — standard. Folding tablet with anti-panic egress release.

Solid beech armrests & show-wood panels

Space Club & Space Lux — standard. Wood species and stain to client choice; matchable to venue millwork.

Sprung inner-seat core

Space Lux — standard. Auto-tipping armrests pair with the sprung core for sustained-programme comfort.

Identification & branding

Recessed seat numbering · row letters · donor plaques on aisle armrest end-caps · custom contrast piping · embroidered logos on seat back.

Cupholder

Standard on all three models.

§ 05

FABRIC & FINISH

Fidivi Radio is the Space-series standard — 80,000 Martindale, velcro-detachable covers field-replaceable by in-house venue staff, 5-year manufacturer guarantee. Hussey Seatway upholstery is open-spec — **Camira Xtreme · Camira Era · Bradbury Flamblend** all pre-vetted on the collection; other compliant lines specified per project. Slim Camira Era Plus Eco FR is the acoustically transparent alternative for music-first venues.

§ 06

CODES, STANDARDS & WARRANTY

NFPA 102 · GREENGUARD Gold (certified for North American projects on request) · **CSA B651 + BCBC 2024 §3.8 / NBC 2020 §3.8** (Canadian barrier-free; aisle-end Transfer Arm supports wheelchair-transfer access) · **EN 12727 Grade 4** (strength and stability of ranked seating) · **BS 5852** (fabric and foam fire retardancy) · **M4 fire class**. Acoustic baseline $\alpha_w = 0.55$ (Space Club & Space Max). Seatway TP installations carry the platform's own stack — **BS EN 13200-5, ICC 300, CE mark** — documented in the platform's formal Performance Specification.

Backed for the long term

5 years parts and labour on the chair (seat assembly, backrest, mechanism, armrests, pedestal where fitted) — Hussey Seatway Limited Guarantee. **Fidivi Radio fabric: 5-year manufacturer guarantee. Biennial inspection cadence** by a Hussey Seatway-approved service technician keeps the warranty in force. Velcro-detachable Fidivi covers allow in-house fabric refresh without service-call intervention. **Service administered locally by TaLedi.**

Submittal

Full submittal package — EN 12727 strength and stability test reports, BS 5852 fire-retardancy certification, Fidivi Radio fabric data sheet and fire-test certificates, configuration drawings, platform-frame detail for Seatway TP installations, power / USB integration detail (Space Max), show-wood finish specifications (Space Club & Space Lux) — available on request from TaLedi under **CSI Section 12 61 00**.
